REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A. M. and 5:00 P. M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent forest fires.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT — 9 fires	2½ acres burned	
TOWN — 0 fires	0 acres burned

REPORT OF TOWN AUDITORS

All books and accounts of the Town Officers were examined. The Selectmen's Payment Journal entries were checked with the vouchers and cancelled checks. Each voucher had an attached invoice, time sheet or other supporting evidence.

The treasurer's accounts were checked and the cash book balance reconciled with the bank balance.

The Town Clerk's accounts and Firemen's treasurer's books were checked and verified. The Library Treasurer and Trustees of the Trust Funds were checked and verified.

The Tax Collector's accounts were checked and verified with the Treasurer's Report and an overpayment of .45 was paid to the treasurer from the yield tax.

The Selectmen should have a receipt book for all incoming income.
